Follow Steps 1-3 to pair with your bluetooth enabled device.
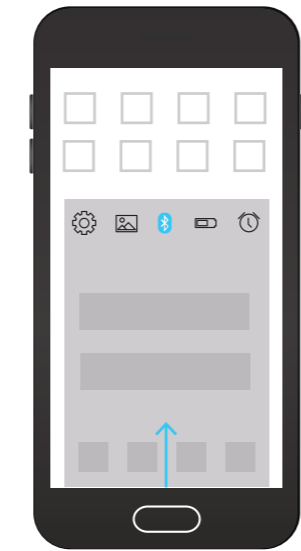

Step 1: Turn on Bluetooth mode on your device.

Step 2: Press the Power button for 3 seconds. A blue indicator light will illuminate, and the headphones will enter bluetooth pairing mode automatically.

If your device has been previously connected, the headphones will automatically pair, indicated by a solid blue light.
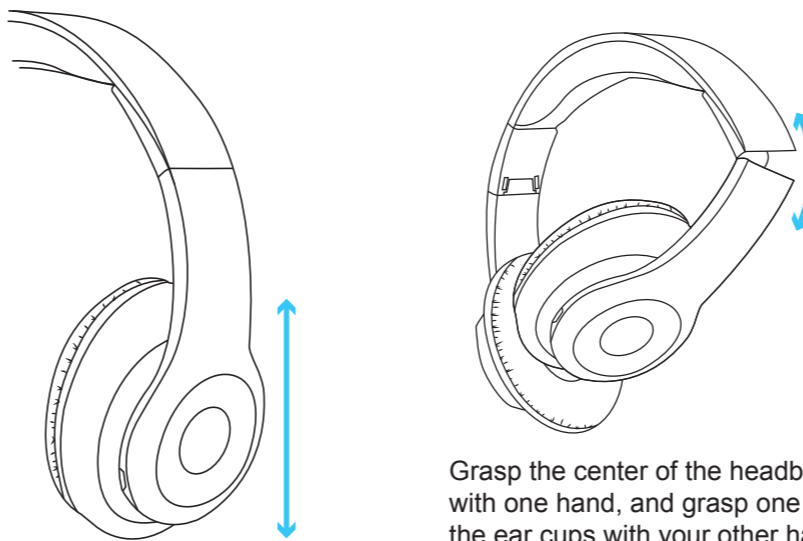

If you've never connected your device, the headphones will enter pairing mode, indicated by a flashing blue/green light.
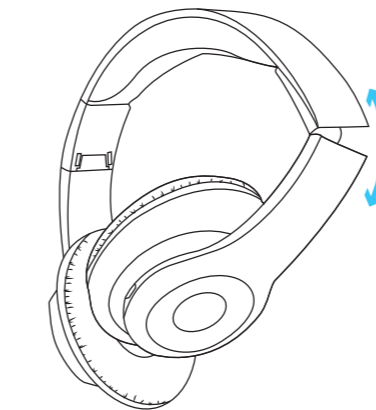

Step 3: Navigate to the list of Bluetooth accessories from your device. Select "HP400" from the list of new connections, and add the headphones to your list of trusted Bluetooth accessories. Your headphones are now connected to your device, as indicated by a solid blue light.

While grasping the headband, gently slide the adjustable leatherette ear cup towards or away from the edge of the headband to achieve optimal placement over your ears.
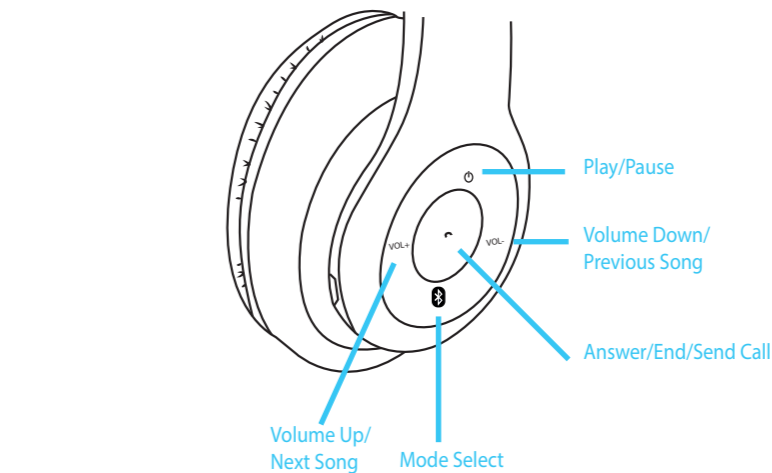

Repeat with the other ear cup.

Grasp the center of the headband with one hand, and grasp one of the ear cups with your other hand. Gently fold the ear cup towards the center of the headband to fold. You'll notice a slight resistance followed by a clicking sound, which will allow the headphones to fold for compact portability.

Repeat with the other ear cup.

Play/Pause
Volume Down/ Previous Song
Answer/End/Send Call
Volume Up/ Next Song
Mode Select

Changing the Volume: Press and hold the Volume Up button to increase volume. Press and hold the Volume Down button to decrease volume.

Changing the Song: Press and release the Next Song button to skip a song. Press and release the Previous Song button to replay a song

Play/Pause the Song: Press and release the Play/Pause button to pause the current song. Press and release the Play/Pause button to play the paused song.
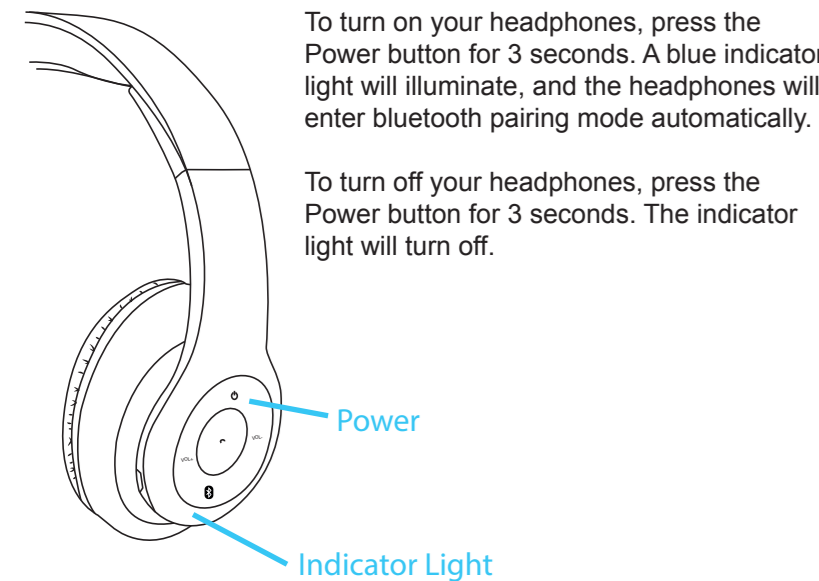

Your headphones are equipped with an integrated FM antenna. To listen to FM radio, turn on the headphones and press and hold the Mode Select button for 3 seconds. Your headphones will enter FM Radio mode.

To change the radio station, press and release the Seek button.
