

HP800

On Ear Wired and Wireless Headphones

MSRP 35.00

Experience true HD sound quality and enhanced bass with these high grade, brushed aluminum, on-ear, Bluetooth headphones. The comfort fit, memory foam, padded headband and fully adjustable, swiveling ear cups provide a better fit for longer, more comfortable listening sessions. High quality built in mic for hands-free operation. Integrated controls allow you to answer/disconnect calls, play and pause your music, and control the volume. Built-in rechargeable battery and backup audio cable assure that the headphones will never power off.
