

HP900

Over Ear Wired and Wireless Headphones

MSRP 40.00

Experience true HD sound quality and enhanced bass with these super comfortable, over-ear, foldable Bluetooth headphones. The comfort fit, memory foam, padded headband and fully adjustable, gel-filled ear cups provide a better fit for longer, more comfortable listening sessions. Noise cancelling technology keeps out airplane noise, a busy office, and city traffic. High quality built in mic for hands-free operation. Integrated controls allow you to answer/disconnect calls, play and pause your music, and control the volume. Built-in rechargeable battery and backup audio cable assure that the headphones will never power off.
