

WS 101
WATERPROOF WIRELESS SPEAKER

 **Bluetooth®**

MSRP 40.00

Experience crystal clear stereo sound and enhanced bass from this submersible, IP67 rated, waterproof outdoor speaker. Its rugged, rubberized casing wraps the speaker and makes it perfect for beach, poolside, and biking adventures. Built-in mic and integrated controls adjust volume, change tracks, and answer/disconnect calls completely hands-free. Powerful, built-in, rechargeable, battery acts as a powerbank to recharge your mobile device using the supplied USB cable. Audio cable included for a wired, direct connection to your non-Bluetooth enabled device.
